

From the church, for the church

# Less admin. More ministry.

Member admin, wards, accounting and research. The operating system for the Reformed church.

SUPPORTS · GKSA · NG Kerk · APK

---

*The operating system for the Reformed church.*

# One platform. Three applications.

Three connected apps (one for members, two for the council) on one Reformed Intelligence layer. It replaces legacy desktop tools and split membership and finance setups: one platform, one login, no annual licence.

## Reformer

FREE · FOR MEMBERS

Bible study, theological research, congregation feed, and online giving.

- ✓ Reformed Intelligence · 930+ sources
- ✓ Bible & original languages
- ✓ Online giving via Paystack

## Office

FOR THE COUNCIL

Member admin, ward management and pastoral care.

- ✓ Member register & custom fields
- ✓ Wards on a map · 6-role RBAC
- ✓ Pastoral logs & weekly reports

## Finance

FOR THE COUNCIL

Double-entry church accounting with AI bank reconciliation.

- ✓ Double-entry ledger · multi-leg
- ✓ AI bank-statement extraction
- ✓ Envelope budgeting · Paystack

## Built alongside real congregations.

You'll find our team at congregation days and synods across the country. Reformer is built with the church.

# Your whole congregation, in a register that makes sense.

Every member, family and ward in one register: baptism, profession of faith, office-bearers, roles and your own fields.

- ✓ **Complete member register**  
Baptism, profession of faith, marriage, death, or any other field your church needs, per member and family.
- ✓ **Wards on a map**  
See who lives where; group wards geographically and re-zone with drag-and-drop.
- ✓ **Office-bearer assignments**  
Link elders and deacons to wards and families; each sees only their own ward.
- ✓ **Family & household grouping**  
Members tied into families and households automatically.
- ✓ **6-role RBAC + POPIA**  
Admin · Elder · Deacon · Pastor · Finance · Member, with consent tracking and an audit trail.
- ✓ **Migration in any format**  
Send CSV, Excel or exports from older systems. Our team does the import.

ROLE-BASED ACCESS

Admin

Elder

Deacon

Pastor

Member

The screenshot displays the web application interface for office.reformeer.org. The user is logged in as 'Arne Elder' (Admin). The main content area shows the profile for 'GK Probatio', an Elder and Admin, with an 'ACTIVE' status. Below the profile, there are statistics for the congregation: 23 Active Members, 21 Visitation Points, 2 Families, 5 Wards, and 0 In Archive. A list of Pastors is shown, including Simon Petrus (Pastor, 2025 years old). The interface includes a sidebar with navigation options like Members, Visitors, Transfers, Communication, Reports, Calendar, Newsletter, and Projects. The top navigation bar shows the user's role and a search bar.

# Pastoral care that gets remembered.

Every home visit, call and prayer request, private and visible only to the right office-bearer.

- ✓ **Home-visit logs**  
Record every visit, call and prayer request, with follow-up dates.
- ✓ **Automatic weekly ward reports**  
Summaries roll up to the council each week, with no extra admin.
- ✓ **Private by role**  
Visible only to the right office-bearer; elders see only their own ward.
- ✓ **Categorised & searchable**  
Calls, visits and prayer requests categorised and easy to find.
- ✓ **Audit trail**  
Nothing is overwritten; every edit creates a new record.

## Smith Family

VISIT

Elder P. Vermaak · Yesterday

Wonderful visit. We read together from Psalm 121. The family is at home and will partake in communion on the 21st.

✓ Follow-up set · 21 May

# Email, SMS and attestations from the register.

Send straight from the register to one member, a ward or the whole congregation. Attestations move members between churches in two clicks.

- ✓ **Email, SMS & push from one inbox**  
Reach one member, a ward, the council or the whole congregation.
- ✓ **Two-way conversations**  
Replies land back in the same thread.
- ✓ **Templates & scheduling**  
Birthday SMS, scheduled sends and reusable templates.
- ✓ **Attestations in two clicks**  
New church requests, old church approves; membership transfers automatically, no re-capture.
- ✓ **Works off-platform too**  
For churches not on Reformeer we email the request; their reply comes back into your thread.

# Church accounting an auditor will respect.

A real double-entry ledger, not a spreadsheet. Drop in any SA bank statement. The AI reads it and matches members.

- ✓ **Real double-entry ledger**  
Multi-leg journal entries, with a custom chart of accounts per church.
- ✓ **Envelope budgeting per fund**  
Track General, Building, Diaconal and any fund you define.
- ✓ **Per-member tithes**  
Matched automatically, with year-end statements per member.
- ✓ **Bank-statement extraction**  
Drop in any statement (CSV, PDF, Excel); ~90% auto-classified and matched to members.
- ✓ **Multiple bank accounts**  
Reconciled separately; trial-balance and journal bulk import.
- ✓ **Paystack online giving**  
Card, EFT and SnapScan; every offering auto-matched and reconciled.

The screenshot displays the finance.reformeer.org web application interface. The main header shows the church name "GK Probatio" with a logo featuring a cross and an open book, and the role "ELDER · ADMIN". A navigation sidebar on the left includes options like Finance, Transactions, Insights, Statements, Audit, Imports, Guides, and Billing. The main content area shows a summary of "Finance" with 5 transactions, a search bar, and buttons for "Export" and "New entry". Below this is a "Filters" section with dropdown menus for "LEDGER" (All Accounts), "BANK ACCOUNT" (All Bank Accounts), and "FUND / ENVELOPE" (All Funds), along with date range filters for "FROM" (2025/06/22) and "TO" (2026/06/21). A "Show pending review" toggle is also present. At the bottom, there are four summary cards: INCOME (R 4,581.40), EXPENSES (R 8,393.69), NET (-R 3,812.29), and TRANSACTIONS (5). A table header for "TRANSACTIONS" is visible at the bottom, with columns for DATE, REFERENCE, DESCRIPTION, PERSON, SOURCE, and AMOUNT.

# Know your congregation by name.

Members build their own profile with photo, bio and services. The directory grows by itself into a searchable catalogue across the whole denomination.

- ✓ **Member-built profiles**  
Photo, bio and the services each member offers.
- ✓ **Searchable across the denomination**  
A growing catalogue of Reformed services, church-wide.
- ✓ **POPIA-friendly visibility**  
Members choose what to show, opt-in by design.
- ✓ **One-click PDF**  
The whole directory exported, ready to share.

## Ask, and the library answers.

Search 930+ sources with exact citations: Scripture, the confessions, dogmatics and synod records. Free for every member.

- ✓ **930+ cited sources**  
Scripture, the confessions, dogmatics and synod records, with exact citations.
- ✓ **Your own minutes too**  
Ask across your council minutes and local regulations.
- ✓ **Free for every member**  
Reformed Intelligence and the member app cost members nothing.
- ✓ **Bible & original languages**  
Read and study with Greek/Hebrew helps.
- ✓ **Daily challenge & devotionals**  
Gamified reading plans, catechism questions and a congregation feed.
- ✓ **One-click giving**  
Members give with a tap: card, EFT or mobile via Paystack.

### EXAMPLE QUESTION

#### What is my only comfort in life and in death?

That I, with body and soul, in life and in death, am not my own, but belong to my faithful Saviour, Jesus Christ.

Heidelberg Catechism · Lord's Day 1

1 Cor. 6:19–20

Rom. 14:7–9

# Switch from any church admin software, with zero risk.

On a legacy program, another church package, or just spreadsheets? We do the entire migration for you. You re-type nothing, and nothing gets lost.

✓ **Send it in any format**

CSV, Excel, or exports from older desktop programs.  
We take it as-is.

✓ **Our team does the import**

No data entry on your side. We map every field and load it correctly.

✓ **Every record verified**

We check every member, family and balance. Nothing falls through the cracks.

✓ **Live within a week**

Most churches are fully migrated and running within a week.

↓ WE DO THE IMPORT

**Reformeer**

reformeer.org

*“The migration from our previous system was simple and accurate, without a single member record falling through the cracks.”*

**Dirk Meijer**

GK Bloenburg

✓ No data entry

✓ No downtime

✓ No risk

✓ We do the work

## Properly built. Properly secured.

✓ **POPIA compliant**

Full compliance with South African data protection law, with audit trail and consent records.

✓ **6-role RBAC**

Admin · Elder · Deacon · Pastor · Finance · Member. Each role gets exactly what it needs.

✓ **99.9% uptime**

Hosted on Google Cloud Platform (Frankfurt region) with active monitoring.

✓ **Daily backups**

Automatic, on separate infrastructure, with point-in-time recovery.

✓ **Multi-denomination**

GKSA · APK · VGKSA · OPC · URCNA · PCA · FRCNA · RPCNA. More being added.

✓ **Unlimited users**

Every elder, deacon, pastor and finance officer gets their own login. No per-seat fees.

## What councils are saying.

*“Gereformeerde Kerk Bloenburg recently moved over to Reformeer to simplify our congregation's administration. The migration from our previous system was simple and accurate, without a single member record falling through the cracks. The platform is exceptionally user-friendly and functional. Good ad-ministration contributes to good ministry, and for that we are very grateful to Reformeer!”*

**Dirk Meijer**

GK Bloenburg

“Reformeer brings administration, financial management, pastoral care and communication together in one powerful platform, available in both Afrikaans and English.”

**Deon Venter**

Scribe, GK Rietvallei

“The support has been exceptional. The team walks the system through with our office staff until every workflow lands, and they shape the program around what our church actually needs.”
